

Dear Authors,

We are pleased to invite you to the [LOREXP-2021 International Conference](#), which will be held at the [IUT](#) of the [University of Ngaoundere](#), from April 20 to 23, 2021. The Conference theme is «**Value Chains and Integral Transformation of Local Resources**». The aim is to address the issue of industrialization in Africa by providing concrete answers related to the integral transformation of local resources and to promote the economic development of our populations and therefore of Africa in his outfit.

[LOREXP 2021](#) solicits high-quality papers, posters and communications reporting research results and/or experimental results within five sub-themes: **Production of Sectors Upstream of the Transformation, Integral Transformation of Soil Products, Integral Transformation of Subsoil Products, Design Engineering and Transformation Equipment, and Business Management Strategy.**

All submissions will be judged on their originality, significance of suitability for integral transformation of resources, quality, clarity and technical correctness. We invite you to submit your paper in **ENGLISH** or **FRENCH**, following the formatting guidelines.

LOREXP-2021 proceedings will be published in LOREXP web site (www.lorexp.org) and will be free access.

In addition, all accepted and presented papers will be submitted to Scientific African (<https://www.journals.elsevier.com/scientific-african>) for publication.

Due to the Covid pandemic, the Conference will be held both face-to-face and online.
